Step 1: Visit our registration page [HERE](#)

A screenshot of the registration page for Little Imaginations. The page has a light blue header with the "Little Imaginations London" logo on the left and a "login" button on the right. Below the header, there is a description of the program: "Early years focused holiday camp for 3 - 6 year olds." The main content area is a registration form with a tabbed interface. The "Profile" tab is selected, showing fields for "Student first name", "Student surname", "D.O.B.", "Student's gender", "Age", "Child's Current Education Setting", "Child's Home Address", "Post code", and "Language(s) spoken". A "Next" button is located at the top right of the form. On the left side of the form, there is a photograph of a child's hands working on a craft project with markers and clay. A small "Powered by Cheqdin" logo is visible in the bottom left corner of the form area.

Step 2: Wait for your application to be approved.
